### Stone Bridge, Widened and Rebuilt During 1931

The Stone Bridge spanning the Souhegan River was rebuilt and widened during 1931, in accordance with the vote of the town at the annual meeting a year ago. The cost of the bridge work was \$30,061.55, which was shared equally by the town and the state. Land damage, electric lights, etc., brought the total cost of the whole project to \$30,531.58. Details of the expenditures are on pages 40 and 41 of this report

## Warrant For Annual Meeting

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the  
County of Hillsborough in said State, qualified  
to vote in Town Affairs:

You are hereby notified to meet at Town Hall in  
said Milford on Tuesday, the eighth day of March  
next, at eight of the clock in the forenoon, to act up-  
on the following subjects:

1. To choose all necessary town officers for the  
year ensuing.

2. To raise such sums of money as may be neces-  
sary to defray town charges for the ensuing year,  
and make appropriation for the same.

3. To act upon the reports of all town officers,  
agents, and committees, and raise and appropriate  
money relative thereto.

4. To see if the town will vote to raise and ap-  
propriate the amount of money necessary to secure  
State Aid for permanent improvement of highways  
under the law passed at January session 1905.

5. To see what sum of money the town will vote  
to raise and appropriate for town officers' salaries,  
town officers' expenses, election and registration ex-  
penses, municipal court expenses, repairs and sup-  
plies for the town house, police protection, fire pro-  
tection, moth extermination, collection of garbage,  
health department, vital statistics, state aid main-  
tenance of highways, general expense of highway  
department, street lighting, Milford Free Library,

town poor, Memorial day, parks and playgrounds, cemeteries, interest on temporary loans, interest on bonded debts, interest on serial notes, town construction of highways, state aid construction of highways, sidewalk construction, sewer construction, payments on principal of debts, state taxes and county taxes.

6. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

7. To see if the town will vote to adjust salaries and wages to present conditions or take any action relating thereto.

8. To see what action the town will take relative to raising and appropriating the sum of \$400.00 to repair the old Brookline road.

9. To see if the town will vote to raise and appropriate the sum of \$200.00 toward the maintenance of the Milford Community House.

10. To see if the town will vote to build additional water storage of 500,000 gallons capacity and to raise and appropriate a sum not to exceed Fourteen Thousand Dollars, (\$14,000.00) for this purpose; to be paid for from the current surplus of the water works so far as it is available and the balance by borrowing upon notes as provided by law, payable at such time and bearing such rate of interest as may be expedient.

11. To see if the town will vote to refund any part of its floating debt and to take any action thereto.

12. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-second day of February, in the year of our Lord nineteen hundred and thirty-two.

FRED N. HUTCHINSON,  
HARRY N. THOMAS,  
LEON L. JUNKINS,  
Selectmen of Milford.

## **Report of Sexton**

**For the Year Ending January 31, 1932**

---

With the splendid appropriation for our Cemeteries for the past year your Sexton and Board of Trustees feel that much has been accomplished.

At Elm Street No. 1 more trees were trimmed and a few of the marble and slate stones reset and straightened, and a few badly sunken graves refilled.

At West Street No. 3 town water has been installed, which seems to be a great delight to many. The evergreen trees at the north and east sides of the cemetery have been trimmed and much rubbish cleared from under the trees. Stones have been straightened and a few graves refilled.

At Riverside we have re-located many of the avenues and made them conform to the plan and layout of the cemetery. Mr. Junkins has done much in the surveying of the avenues and lots. Extensive cutting and trimming of trees in various parts of the cemetery has made what we feel is a decided improvement. The setting of the shrubbery at the new entrance was under the supervision of Mr. Rodney C. Woodman.

The above mentioned items seem to cover the major part of improvements in our cemeteries, with the exception of the fine new entrance and fence, which, as you all know, was the generous gift of the late Hon. Albert E. Pillsbury.

Several lots have been placed in perpetual care during the past year and we hope more will continue the good work. Mr. Sawyer or Mr. Tucker will be pleased to explain the method and advantages of this way of creating the continual care of your cemetery lots for all time.

We also urge our people to purchase a cemetery lot before the actual need comes.

Within a short time the water line at Riverside should be re-located and more branches extended. This we do not propose to do at this time as the appropriation of one thousand dollars that we are recommending to the Ways and Means Committee for the year 1932 will not care for much extra other than the usual run of work, such as spring and fall cleaning, machine and hand mowing, town allowance for hearse hire, etc.

Respectfully submitted,

LEON C. TUCKER,

Sexton.

## SYNOPSIS OF THE RECORD OF MARCH TOWN MEETING 1931

---

Article 1. Under this article the following Town Officers were elected: Town Clerk, Hiram C. Bruce; Town Treasurer, Frederick W. Sawyer; Selectman for three years, Leon L. Junkins; Library Trustee for three years, Marcus G. Bourn; Trustee of Trust Funds for three years, Arthur L. Keyes; Fire Wards, Jeremiah J. Casey, Fred A. Farwell, George F. Jewett; Auditors, George A. McIntire, Hugo Trentini; Sexton, Leon C. Tucker.

Article 2. Voted to raise and appropriate such sums of money necessary to defray town charges for the ensuing year.

Article 3. Under this article the Committee, appointed at the last Town Meeting, to consider the advisability of widening the "Stone Arch Bridge," gave a report on what they had done and presented the following resolution: That the sum of \$12,000.00 be raised and appropriated for the purpose of rebuilding and widening the "Stone Arch Bridge" and payment of expenses pertaining thereto; \$1500.00 of this amount to be raised by taxation the present year, the balance to be financed by an issue of Serial Notes, hereby authorized, amounting in the aggregate to \$10,500., to be dated September 1, 1931, bearing interest at a rate not to exceed  $4\frac{1}{2}\%$  per annum, payable semi-annually; \$1500 of said notes to be paid annually on September 1st in each year. After a brief discussion the resolution was adopted. The Committee appointed by the Moderator at the March Town Meeting 1930 to act in cooperation with the Selectmen on the advisability of widening the "Stone Arch Bridge" were Benjamin F. Prescott, Leon L. Junkins and A. Wallace Wilkins.

Also under Article 3 the Committee on Sewer Taxation appointed by the Moderator at March Town Meeting 1930, consisting of Charles W. Robinson, Victor H. Bugbee and Ralph S. Woodman, made a comprehensive report on their findings and offered the following resolutions: (1) That the town hereby instruct the Selectmen to assess a sewer tax of (15 cents) upon each foot of frontage within one hundred feet of a sewer on any street or way where a sewer is hereafter constructed and a tax of thirty-five dollars (\$35.00) upon entrance into said sewer. (2) That the town hereby instruct the Selectmen to levy this tax in part over a period of three years when requested to do so by a property owner or his agent. (3) That the town hereby instruct the Selectmen to abate all sewer taxes assessed since the annual Town Meeting of 1926 and reassess under this resolution except in such instances as where such taxes have been paid and reassessment is not requested. (4) That all resolutions previously adopted by the town in regard to assessments on sewer construction, conflicting with these resolutions are hereby declared void. These resolutions were accepted and adopted.

Article 4. Voted to raise and appropriate the amount of money necessary to secure State aid for permanent improvement of highways.

Article 5. Acting upon report of the Selectmen and Ways and Means Committee the following appropriations were voted:

Town officers' salaries	\$3100.00
Town officers' expenses	1700.00
Election and registration expenses	200.00
Municipal Court expenses	350.00

Article 6. Voted to authorize selectmen to borrow money in anticipation of taxes.

Article 7. Voted to raise and appropriate the sum of \$1450., of this \$650 to be used for parks and playgrounds and \$800. for band concerts.

Article 8. No action was taken relative to additional water storage.

Article 9. Moved by W. S. Keith that the Road Agent be appointed by the Selectmen. This motion was adopted.

Article 10. This article in regard to Town Officers being residents of Milford for one year, was dismissed.

Article 11. Under this article the following resolution was presented by Rev. William Weston: That the Town of Milford lease the store formerly occupied by G. F. Jewett & Co. to the Ricciardi-Hartshorn Post No. 23 of the American Legion for a term of five years at one dollar per year. This resolution was adopted.

Article 12. Voted in favor of the Town using Standard Time.

Article 13. This article in regard to resurfacing Nashua Street was dismissed after brief discussion.

Article 14. Under this article George A. Worcester presented the following resolution: That the Selectmen be and hereby are directed to appoint a committee of five to prepare a supplement to the Milford Town History and be it further resolved that the sum of two hundred dollars be raised and appropriated for the expense of said committee. The resolution was adopted as given. The committee appointed by the Selectmen: George A. Worcester, Dr. H. S. Hutchinson, Miss Ella Powers, Charles Heald and Harland Burns.

Article 15. Voted to raise and appropriate \$1600.00 to purchase sewer cleaning equipment.

Article 16. No action was taken relative to widening and improving the West Road. The Ways and Means Committee thought if work was done there

it should be from the regular appropriation for town maintenance.

Article 17. Under this article Rev. Francis P. Daniels presented the following resolution: That the Moderator appoint a committee of three to investigate the lighting of Union Square and the advisability of putting all wires in the Square underground, said committee to report with any recommendations on the subject it may deem advisable at the next annual Town Meeting; that the sum of \$50.00 be raised and appropriated to meet the necessary expenses of the committee. After brief discussion the resolution was adopted. Committee appointed by the Moderator on this resolution: Francis P. Daniels, Ernest M. Stickney, George W. Falconer.

Respectfully submitted,  
HIRAM C. BRUCE,  
Town Clerk.

## Report of Water Commissioners

This has been an uneventful year with the Water Works. There has been no new construction and only a few new services. The supply of water in the wells has been sufficient at all times.

Financially it has been a satisfactory year and after a reserve to carry through to April 1st, there is a surplus of more than \$6,000.00.

We again repeat the urgent need of additional water storage. A stand pipe can be installed this year at a very economical price. Also we are led to believe that with a new stand pipe a substantial saving can be made in our power.

RALPH J. GAINES,  
FRED E. COOLEY,  
LEON L. JUNKINS.

## Report of Superintendent of Sewers

To the Honorable Board of Selectmen:

I submit a report as Superintendent of Sewers.

The activities of this department have been confined largely to the construction of catch-basins for the highway department. We have built three catch-basins on Spaulding Street, three on Vine Street, and three on North Street. We have also built three man-holes in the main sewer to facilitate the use of the new sewer cleaning machine.

Anticipating the need of a main sewer to take care of Mont Vernon Street, Granite Street, the lower end of Myrtle Street and possibly part of the Highlands, we laid a 12 inch sewer in the new bridge, dead-ended at both ends ready to be connected with the main sewer on Maple Street. We also laid a 6 inch gas main in the bridge at the same time, which will be charged to the gas company should they at any time install gas in town.

The new sewer cleaning machine purchased last spring proved a great success, and it is safe to say that it paid for itself the first year. We cleaned 3500 feet of main sewer at a labor cost of \$.12 a foot. It will be necessary to construct at least three man-holes the coming year to enable us to clean Union Street and Souhegan Street.

Respectfully submitted,

R. F. CAMPBELL.

## Report on Parks and Playgrounds

---

The activity of the committee the past year has been largely confined to completing the development of Endicott Park, commenced in 1930 and finished early this summer.

When the improvements on the Park were begun the expense was impossible to estimate accurately. It exceeded, however, considerably the first estimates and was much larger than contemplated. After the trees were removed it became necessary to grade a portion of the ball field, and to cut down the hill where the roots of the trees were. This was done and a much larger and better ball field resulted.

Unfortunately interest in baseball lagged last summer and no revenue from the use of the park resulted, otherwise we should have had a balanced budget even with the increased expenditures.

The general care of Endicott Park, Shepard Park and the upkeep of the playground equipment and care of the Oval were all larger last year than usual. There should be a general reduction this year in this upkeep cost.

It has been suggested that some care and expense should be laid out on the grounds of the Oval in order that the trees thereon should not be allowed to die from lack of nourishment. If this is done it will involve some expense, but seems to your committee to be well worth while. The granite monument will need cleaning this year or next.

The playground apparatus at the different schoolhouses needs constant supervision that accidents may be avoided. This the committee tries to do.

The following recommendation is in line with the spirit of economy and about one-half that of last year. We suggest \$450.00 be raised and appropriated.

# MILFORD FREE LIBRARY

## REPORT OF THE TRUSTEES

To the Citizens of the Town of Milford:

The Trustees of the Milford Free Library submit herewith their annual report, together with the report of the Librarian.

At the annual meeting of the Trustees on March 28, 1931, the following officers were elected: Chairman, Marcus G. Bourn; Treasurer, Benjamin F. Prescott; Secretary, Ruth D. French. Miss Secombe was re-elected as librarian and Miss Alice Ames as assistant librarian. A Reading Committee was appointed, consisting of Miss Ella Powers, Mrs. Harriett W. Hutchinson, Mrs. Louise Powers, Mrs. Louise Broughton and Miss Margaret Howison.

The use of the Library by adult readers has increased again, and the service which the Library gives this community we believe especially valuable in such a year of unemployment and depression.

We recommend that the customary sum of \$3,000.00 be appropriated at the annual town meeting for the use of the Milford Free Library.

Respectfully,  
MARCUS G. BOURN,  
BENJAMIN F. PRESCOTT,  
RUTH D. FRENCH,  
Trustees of Milford Free Library.

## REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the annual report of the Milford Free Library for the year ending January 31, 1932.

The circulation of books for adults has increased, while that for juveniles has decreased again, so that the total circulation is 40,825, nearly the same as that of last year.

Miss Olive Clark gave a series of story hours for the children last March. Over eighty children came to the first one.

The reading room is being well patronized this winter, especially during January, when over nine hundred were counted there.

We were able to buy the latest edition of the Encyclopaedia Britannica this year, which has proved an important addition and is being much used by the students. Other valuable reference books have been added as usual.

The following statistics give the service and resources of the library during the year.

Respectfully,  
ANNABELL C. SECOMBE.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board of Milford:

I herewith submit my thirteenth report as Superintendent in Supervisory Union No. 40 which comprises the school districts of Amherst, Brookline, Milford and Mont Vernon. It is also the twenty-seventh in the series of such reports in Milford. Full details of the organization of the union were given in last year's report.

### Schools and Teachers

Since last year very few changes indeed have occurred. In the elementary group the North School has been closed and Mrs. Jennison transferred to Grade IV at the village. Mrs. Berube was changed from Grade IV to Grade V, a position made vacant by the retirement from teaching of Miss Minnie Tobie after 46 years of faithful and efficient service in the teaching profession, 26 of which were as a Milford teacher. Miss Kate Brooks did not return in September. Her place was filled by Miss McGettigan, who was at Osgood. The Osgood position has been filled by appointment of Miss Katherine Gogan, whose school at Border Street in Amherst was closed last June.

In the High School one change only has occurred. Miss Hirschner accepted a position in her home town of Amesbury, Mass., and Miss Flora Abbiati was secured to take her place. Miss Marion G. Little in the commercial department has been granted a leave of absence beginning February 1, 1932, in order to pursue further study toward a college degree. The substitute for her position for the rest of the year is Miss Dorothy A. Jenkins. The plan of having cadets from Keene Normal School for Domestic Arts has been continued. Four different girls as usual are being sent, each for a nine-week period.

### **Buildings and Grounds**

The usual summer repairs have been made at all schools. Special items included, in addition to installation of lights at Osgood, the following repairs at the High School:

1. Painting of the fire escape and flag poles.
  2. Renovation of the lighting system.
  3. Refinishing of two rooms.
  4. New book cupboard on the second floor.
  5. Repairs to roof, including chimneys, slate work, and snow guards.
  6. A new stage in the Assembly Hall.
  7. Improvement of heating in the kitchen.
- Improvement in equipment included:
1. A Midget Cable piano for teaching purposes.
  2. A portable sanding machine for refinishing desk tops, etc. (This is being rented from time to time.)
  3. Some new benches in the shop.
  4. A small drill press in the shop.

Special mention should be made of a fine, large oak bookcase and books which have been loaned to us by Mr. Charles Langdell. It is probable that this will become a permanent possession of the High School and form a part of a regular library room. Many thanks are due to Mr. Langdell for this.

Things to be considered for the future include:

1. A new heating plant at the High School.
2. Outside painting of village buildings.
3. Steel ceilings at Pine Valley and Laurel.
4. Shingling of south side of Laurel School.
5. Floor treatment. It may be very practicable to have an electric floor scrubbing machine.
6. A school library room or alcove.

### **Special Activities**

In November Education Week was observed.

This was sponsored by the National Education Association, American Legion, and the Federal Bureau of Education. Our program included talks in all schools by Seniors from the United States Constitutional History Class; also by the School Doctor, School Nurse, Headmaster of High School, and Superintendent. Special outside speakers furnished by the Milford Civic Club were Rev. William Weston, Mr. Charles Emerson and Mr. Samuel Goldman. They all gave fine talks to the pupils. Features of the week were appropriate music programs, and a benefit football game—Milford High School vs. Stearn School—from which a net profit of over \$100 was given to the Unemployment Committee appointed by the Selectmen. The week closed with the annual Senior Class play at the town hall.

A novelty for teachers was exchange of rooms with other teachers either in Milford or in Amherst. The aim of the whole program was for pupils and teachers to acquire a deeper interest in their school work. No program for parents was arranged as a special parents' day is planned for later in the year.

Another particular feature this year is the George Washington Bi-centennial Celebration. Pupils in school will make a special study of George Washington and will prepare appropriate programs.

The National Education Association has a winter meeting each February. This will be at Washington, D. C., this year, and will, of course, emphasize very greatly the life and work of George Washington. Superintendent, Headmaster and several teachers will attend.

In conclusion a quotation from the January Journal of the National Education Association is most fitting: "To interpret the school to parents and citizens is as much a part of the teacher's work as the instruction of children. Our schools belong to the

people; they will go as far and no farther than the people wish; child guidance is a joint task of parent and teacher. Every officer in the school system is an interpreter, but the teacher can do more than anyone else. The teacher is linked to the parent by a common interest—the child for whose welfare both are responsible. The ideal, CHILDREN FIRST, demands that the schools be kept at their best and still further improved.”

Respectfully submitted,

HAROLD C. BALES.

February 19, 1932.

## REPORT OF HEADMASTER OF HIGH SCHOOL

To Harold C. Bales, Superintendent of Schools of Milford, N. H.:

I herewith submit my second annual report as Headmaster of Milford High School.

### Enrollment

The total enrollment for 1931-32 is practically the same as 1930-31. There are 391 recorded now as against the 395 at this time last year and 372 two years ago. The number of pupils in Grades III, IV, V, and VI indicates that our school will continue to increase in size for two more years and then take a decided drop. At the present time there are 76 pupils in Grade VI, 78 in Grade V, 56 in Grade IV, and 54 in Grade III. The peak of high school enrollment then, for some years, should be reached in 1933-34. At that time there should be well over 400 pupils in the building. This will certainly tax the seating capacity to the utmost.

The membership at the end of the half year, January 29, 1932, is 372 as compared to 376 at this time last year and as compared to the 349 of two years ago. One hundred ninety of these pupils are girls and 182 are boys, distributed according to age and grade as follows:

Ages	VII	VIII	IX	X	XI	XII	S. P.	Totals
10-11 Boys								
Girls	1							1
11-12 Boys	4							4
Girls	7							7
12-13 Boys	13	3						16
Girls	16	2	1					19
13-14 Boys	8	15	8					31
Girls	6	14	7					27
14-15 Boys	6	7	15	4		1		33
Girls	4	7	17	11	2	0		41

### Tuition Pupils

Between one-seventh and one-eighth of our school population are non-resident pupils coming from eleven New Hampshire towns. These boys and girls make great sacrifices in order to attend school. Some of them leave home by six o'clock in the morning on spring days and in the winter do not reach home until almost 7 p. m. This year 13 of our 48 Seniors are non-resident pupils. On January 29th, 1932, there were 49 tuition pupils distributed by grades and towns as follows:

Grade VII, 7; Grade VIII, 0; Grade IX, 14; Grade X, 9; Grade XI, 6; and Grade XII, 13; total 49.

Amherst, 2; Brookline, 2; Francestown, 3;

Greenfield, 11; Harrisville, 1; Greenville, 5; Mason, 1; Mont Vernon, 13; Rindge, 1; Lyndeboro, 9; Stoddard, 1; total 49.

### Curricula

The distribution of pupils in Grades IX-XII by curricula:

Curricula	IX	X	XI	XII	Totals
Academic	15	14	11	10	50
Commercial	22	30	16	17	85
General	22	2	11	19	54
Mechanic Arts	21	18	9	2	50
1931-32 Totals	80	64	47	48	239
1930-31 Totals	84	59	57	43	243
1929-30 Totals	71	59	44	44	218
1928-29 Totals	79	50	43	35	207

The figures show that the mechanic arts curriculum is just about holding its own. A great many of our non-resident pupils come to Milford High School in preference to some other school to get this course.

In the past our graduates have been greatly hampered in their post-secondary work due to the fact that only three years of Mechanic Arts work above Grade VIII, have been offered.

For example, boys desiring to go to Keene Normal School and take up the four year Mechanic Arts Curriculum fitting them for high school teaching were ineligible for that work. Two of the graduates of the Class of 1931 were rejected. Consequently the addition in September 1931 of the fourth year of Mechanic Arts was a good thing. The new course, Applied Shop Electricity, takes up the theory and application of electricity. One project already completed is the re-wiring of the whole shop. Auto Mechanics is not being given this year but will be taught to Juniors and Seniors in the place of Applied Shop Electricity in 1932-33. The result has been that by

this plan of alternation we are giving four years of Mechanic Arts and have not increased the yearly amount of teaching. In the future our Mechanic Arts graduates should be able to compete favorably with graduates of other high schools.

The number in the Academic Course is approximately the same as last year. We prepare pupils for almost any college in the country. Occasionally one of our graduates finds that upon application he is denied admission to a certain college. This is due to the fact that the pupil did not select the courses that would prepare him for that institution. Careful planning of a pupil's course with special reference to what the pupil intends to do after completing high school is necessary, even before the pupil enters grade IX.

It is now the policy to require pupils to show special aptitude for any course before entering upon the work of the last two years. This is true in all curricula. The results are particularly noticeable in the Commercial Curriculum. In 1930-31 52% of the pupils were enrolled in the Commercial Curriculum. In 1931-32 this has been reduced to slightly less than 32%. This means that whereas there was more than one-half of the school population in this course, there now is less than one-third. This is due to the fact that those pupils who have had difficulty in bookkeeping or typewriting in grade X and who do not seem fitted to go on in the advanced work of the last two years, are encouraged to change to a course which is more suited to their special needs. Whenever possible, conferences are held between parents, pupils, teachers and headmaster.

In all the courses the result has been that at the end of grade X pupils may change to a course better suited to them, if they have taken the subjects required in the curriculum to which they are chang-

ing. Consequently many pupils not fitted for advanced work in shorthand, typewriting, mathematics and Latin have gone into one broadened and enriched general course. At the present time one-fifth of our pupils are enrolled in the general course.

### **Last Year's Activities**

1. 1921 Prize: Discontinued by Class of 1921.

2. Sophomore Prize Speaking: The 15th Annual "Kaley Prize Speaking Contest" was held on June 6, 1931. The four girls and four boys selected for the final contest were: Marion Cummings, Margaret McCormack, Lillian Wilkins, Helen Wilson, Morris Courage, William Rotch, John Sargent and Milton Wilkins. John Sargent received first prize of \$10.00; Lillian Wilkins, 2nd prize of \$5.00. Each of the other speakers received \$2.50. The judges were Miss Ruth Holt, Miss Mary Tingley and Headmaster R. G. Reed of Amherst.

3. Junior Prom: The Prom was held on May 22, 1931. A reception to the Seniors was held by the members of the class of 1932 preceding the ball. Broderick's Orchestra of Lowell played for the introductory march and for the dancing.

4. Athletics: Both boys and girls were represented in the Monadnock Basketball League again. Relations with the other schools were cordial. Peterboro boys and girls won both cups. The former were also state champions in Class B.

In baseball Milford's fine team led by Pirovano and coached by Mr. Edward I. Erickson won all their league games (8) and were presented with a large cup for the school.

5. Washington Trip: The class of 1931 visited Washington, D. C., during the April vacation. Chaperones were Miss Smith, the class advisor, and Mr. and Mrs. E. I. Erickson. A very fine time was reported by everyone connected with the trip. Mrs. E.

M. Stickney and Mrs. J. P. Cassidy were members of the party. Exceptionally warm, sunny weather made the trip more enjoyable even than usual. Many places of historic and present interest were visited.

6. At the annual Scholarship Day on May 9, 1931, in Keene, Milford High School was represented by teams in Algebra, Geometry, and United States Constitutional History. All of the teams gave good accounts of themselves, the team in Geometry taking first place in the state contest.

### **University of New Hampshire Scholarship Plaque**

Each year Phi Kappa Phi, educational society at

the University of New Hampshire, offers a fine plaque to that high school whose first year students attain the highest average in all their subjects. In making this award only those schools are considered that send five or more students to the Freshman Class. Last year members of the Class of 1930 of Milford High School won this prize. The award was made in the high school assembly hall by Professor George N. Bauer, Officer in Charge of Freshmen at the University of New Hampshire.

Following are the names of the pupils who won the plaque: Donald Bowler, Ruth Currier, Lillian Holt, Miriam Jennison, Ralph Kimball, James Romeo, Kenneth Wheeler.

### **Activities 1931-1932**

1. Senior Play: On November 7, 1931, the members of the Class of 1932 presented the royalty play, "Daddy Long Legs" in the town hall. The cast worked hard and should be commended for presenting such a difficult play.

2. Junior Play: On January 23, 1932, the Class of 1933 gave the comedy, "A Bunch of Fun" in the High School Assembly Hall. A dance was given the preceding night after the Wilton basketball game at the town hall.

3. Athletics: For the first time in recent years Milford High School was represented by a full season football team. Six regular games were played. In addition a post season game was played with the Stearns School of Mont Vernon. The proceeds, over \$100., were donated to the local Unemployment Relief Fund. The season was very successful due to the fine sportsmanship shown by the players, the absence of serious injuries, and the large number of boys who participated.

Both girls and boys are members of the Monadnock Basketball League. We are much handi-

capped in this sport because we have no gymnasium in which to practice. Of necessity the size of the squads is limited.

4. Assemblies: Pupils under the direction of Miss Irma Andrews, dramatic coach, have presented seasonal programs on Columbus day, at Thanksgiving, and at Christmas. We have enjoyed two music recitals. Friends of the school and local dealers have kindly lent us radios. Under the direction of Miss Josephine MacKinnon, music teacher, we have listened to the bi-monthly music appreciation hour presented by the National Broadcasting Company and led by Walter Damrosch.

5. National Education Week: Milford High School had a program each day as a part of a general plan of observance which was executed throughout Supervisory School Union 40.

### **Assembly Hall Stage**

Assembly programs have been made more enjoyable by a new stage. The old platform has been given to the elementary building. Programs are much easier to arrange on the new, higher, wider, and longer stage. Curtains were made by the Home Economics classes. The supports for, and hanging of the curtains was done by the Mechanic Arts classes. The Junior Play was produced very satisfactorily in the Assembly Hall. The stage was both roomy and attractive. Plenty of seats were available. The original cost of about \$100 was paid from school district funds. Pupils and teachers are reimbursing the district this amount from time to time. At the present time the teachers are working on a play and entertainment to be given about Washington's birthday, proceeds to go to the stage fund.

### **New Electrical Fixtures**

During the summer of 1931 the old "cluster" fix-

tures were removed and modern diffused lighting installed. Pupils and teachers have appreciated this change a great deal. The new system should prove economical over a period of years, due to the individual control for each lamp. The saving on pupils' eyes should be even greater.

### **New Piano**

The school has greatly benefited from the "Midget" Cable piano purchased during the spring of 1931. A musical program may be held in any room in the building with but slight inconvenience. At the present time the various home rooms are taking turns in using this piano in their programs. Music classes are advantageously held in small classrooms instead of the Assembly Hall as was the case last year.

### **Library**

We still need a school library. As stated last year the present facilities, located in the headmaster's office, are inadequate and inconvenient. During the fall of 1931 a fine large case full of good books was lent to the school by Charles Langdell. We need more than ever a suitable place for our reference books.

In closing I should like to thank the School Board, the Superintendent and parents for their cooperation during the past year, and to urge parents to follow closely the work of their children and to consult teachers whenever it seems necessary. Parents and teachers are interested in the same problem, the education of children. Best results can be obtained through full cooperation between all three parties involved.

Respectfully submitted,

J. J. MORGAN, Jr.,

Headmaster.

## REPORT OF SCHOOL NURSE

---

To Mr. Harold C. Bales, Superintendent of Schools,  
Milford, N. H.:

The following is my fifth report of the health work in the Milford schools, it being the thirteenth year of this work.

The annual medical inspection was made in October 1931 by Dr. Hinds, the Nurse assisting. A tabulated account of the inspection will appear on another page.

The eye and ear tests have not been completed.

Two hundred and sixty-nine visits were made to the schools since the last report. These visits include class-room inspections, health talks, individual attention to pupils, and other necessary work.

I have found a few cases of pediculosis and skin diseases. These were given attention and followed up until a complete correction was obtained. There have also been cases of measles and whooping cough; however, at the present time there are only a few reported cases.

Fourteen children have been taken either to physicians or dentists for treatment, two taken to a Tuberculosis Clinic at Nashua, and twenty were taken to the hospital for tonsil and adenoid operations.

Ten lessons were taught to the girls of the Junior Class of the high school in simple nursing.

This year there seems to be more need for social service visits made to the homes.

In the future there is a possibility that a Toxin-anti-toxin Clinic will be held at which children up to the age of twelve years may be immunized against Diphtheria, if the parent gives his consent.

At this time I wish to express my appreciation

to the school officials, teachers, pupils and parents  
for their cooperation in the past year.

Respectfully submitted,  
(MRS.) EMMA L. WURDEMAN, R. N.  
February 5, 1932.

## **Report of Overseer of Poor**

### **For Year Ending January 31, 1932**

---

Perhaps any remarks in relation to the unemployment situation and need of aid in our town are unnecessary, as the facts are known to all.

Aid has been rendered to thirty-four families, chargeable to the County, in which there are 92 children and seven are inmates of institutions. There are in the nine families receiving Town aid 13 children.

In considering the County cases I have had the valuable assistance of Commissioner Cassidy.

As to the increase of the expense of caring for the poor, nothing need be said, as nearly all towns and counties have far exceeded their appropriations, which they have a right to do under the statute.

The last session of the Legislature saw fit to enact an old age assistance law, without providing any means of raising the money. The County Commissioners have charge of this matter and send the bill to the town for all persons to whom they grant aid who have a settlement in the town affected. The Commissioners have granted aid to three persons in this town and as the law provides that the Overseer shall not print their names, I have designated them as Beneficiary number one, two or three as the case may be. Their names are recorded in my record book, as granted. We have no statute in New Hampshire relating to publishing names of persons receiving aid except in this case. Some towns do publish them and some do not. We have printed them for many years.

The expense of the old age assistance already granted to those who have town settlements here will be \$600 per year and probably others will soon be added.

Of the deaths in town in 1931, 23 were carried out of town for burial; Amherst, N. H., 5; Bedford, N. H., 1; Berlin, N. H., 1; Chichester, N. H., 1; Francestown, N. H., 1; Mason, N. H., 1; Milton, Mass., 1; New Ipswich, N. H., 1; North Berwick, Me., 1; Redan, Ga., 1; Saxton's River, Vt., 1; South Lyndeboro, N. H., 2; Wilton, N. H., 4; Westford, Mass., 1; Woburn, Mass., 1.

Seventeen were brought from away for burial. Some were long ago residents. Of the 44 deaths recorded, 1 was between 90 and 100; 9 between 80 and 90; 6 between 70 and 80; 9 between 60 and 70; 2 between 50 and 60; 5 between 40 and 50; 3 between 30 and 40; and 9 under 30. Of these deaths 20 were Male and 24 were Female. One or both parents of 17 were born in other countries.

The vital statistics of a town are one of its most important records, not merely for today but for generations to come. If everyone would see to it that the records of their own families were fully and correctly filled out on the Marriage, Birth and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

Respectfully submitted,

HIRAM C. BRUCE,  
Town Clerk.
